

HATT Insider

Congrats to Toranda - New Homeowner!

Toranda closed on her new home on December 17 and it was the last home sold with the help of the Homeownership Program in 2019. The HATT is so happy for her!

Thank you also to Vickie for her wonderful assistance in teaching our community members all about homeownership in the Homeownership Homebuyer's Education Course. Her last class was held on December 14th, 2019. We appreciate everything you do to help our community members succeed!

JANUARY 2019

As this year ends and the new year begins, we would like to take this opportunity to extend our best wishes for a safe and prosperous New Year.

As we approach the new year, we will continue to work with you to improve the quality of life for all current and future residents. It is our hope that the new year will be a year when members in our community more often extend a helping hand to their neighbors, coworkers, family, friends, and strangers in need.
